Can I copy trade in both my Challenge Account and the Trade Master Cup?

Updated this week

Copy trading between your Challenge Account and Trade Master Cup Account is not allowed. Each account operates independently to maintain a fair and competitive environment.

This ensures that all participants are evaluated based on their individual trading strategies and skills, without the influence of external factors. By keeping the accounts separate, we promote a level playing field for everyone involved, allowing each trader to showcase their abilities and compete on their own merits.

This policy ensures that the competition remains a true reflection of each trader's personal expertise and decision-making skills.
