What is an Account Top-up?

Updated over 2 weeks ago

At FundedNext, traders have the option to restore their account balance to its original amount through a top-up, provided they haven't violated any rules. This top-up also resets their trading cycle

Each top-up option comes with a specific fee based on the type of account. Details regarding these fees can be found in the images below:

Top-Up fee for Express Consistency and Non-Consistency Account (Swap):
