How to Access Your Trading Overview on the Dashboard?

Updated over 2 weeks ago

The Trading Overview is a specialized feature incorporated into the FundedNext dashboard, meticulously designed to furnish traders with a concise yet comprehensive summary of their trading endeavors and performance.

To access and scrutinize your trading activities within the FundedNext dashboard, kindly adhere to these straightforward steps:

- Commence by navigating to the 'Accounts' section within your FundedNext dashboard. Subsequently, select the specific trading account that you intend to analyze.
- Upon entering the dedicated account dashboard, diligently identify and select the 'Trading Overview' option.

 **FundedNext**

These two distinctive options are prominently positioned at the top of the page, ensuring your facile access to vital trading data and analytical tools, ultimately augmenting your ability to enhance trading performance.
