Can I trade Cryptocurrencies with FundedNext?

Updated over 2 weeks ago

Disclaimer: The cryptocurrency trading on FundedNext is through CFDs, which are simulations of price changes. You are not buying real cryptocurrencies like Bitcoin or Ethereum, just trading on how their prices move on a simulation or demo account.

Yes, FundedNext facilitates trading for a diverse range of 9 Cryptocurrency pairs. The specifications of these pairs are outlined below:

Cryptocurrency Name	Cryptocurrency Symbol	Contract Size
Dogecoin vs US Dollar	DOGUSD	1000
Cardano vs US Dollar	ADAUSD	100
Stellar vs US Dollar	XLMUSD	100
Ripple vs US Dollar	XRPUSD	100
Bitcoin vs US Dollar	BTCUSD	1
Ethereum vs US Dollar	ETHUSD	1
Link vs US Dollar	LNKUSD	1
Litecoin vs US Dollar	LTCUSD	1
Monero vs US Dollar	XMRUSD	1

Leverage:

Each of these pairs has a **leverage ratio set at 1:1**, offering competitive opportunities for trading.

Trading Time:

Cryptocurrency trading on FundedNext is exclusively available now during the weekdays, specifically Monday through Friday. The Quote and Trading hours for FundedNext Cryptocurrency trading are as follows:

- **Quote Hours: 00:00–24:00 (MT Platform Time)**
- **Trading Hours: 00:15–24:00 (MT Platform Time)**

Traders are allowed to maintain positions over the night and on the weekends but cannot make trades during that period. Trading activities will resume on Monday. Any profits or losses incurred during the weekend are the sole responsibility of the trader. Please note that traders are not permitted to keep their ongoing trades open in their Express Consistency Account over weekends. Therefore, traders must close all active trades 15 minutes before the market closes for the weekend.

Crypto Trading

on FundedNext
