How quickly can I start earning commissions?

Updated over 2 weeks ago

Once your affiliate application is approved and you get your unique link, you can start earning commissions right away. Please note, that you'll earn a commission only on a trader's first purchase through your affiliate link; additional top-ups and resets don't count.

Please note that as an Affiliate, you'll need to have a **minimum of \$100** to withdraw your earnings.
