# What is the FundedNext trading competition about?

Updated over 2 weeks ago

The FundedNext Trading Competition is an exciting monthly event open to traders of all skill levels. It provides an opportunity for participants to demonstrate their trading skills and compete for attractive prizes. This competition creates a dynamic environment in which traders can fine-tune their strategies, compete with peers, and climb the leaderboard. With 150 winners chosen each month, it provides a global platform for traders to showcase their skills and potentially earn rewards for outstanding performance.

## Can I trade in a Free Competition Account and in a Challenge or FundedNext Account together?

Absolutely! The traders are allowed to do that. There are no such restrictions on the FundedNext platform regarding participation in the Free Competition and Challenge Accounts altogether. For example, the trader can participate in the Free Monthly Competition regardless of having a Challenge or FundedNext Account.
