Your trading server migration is completed. What's next?

Updated over 2 weeks ago

FundedNext is pleased to announce that the server migration has been successfully completed. As a result, all active accounts previously hosted on the GrowthNext server have been migrated to the FundedNext server.

Due to this migration process, all accounts have been logged out. Traders should have received an email on March 10th, 2024 with the subject line, "**Your trading server migration is completed. What's next?**"

Please locate this email using the provided subject line. In this email, traders will find their old login ID, a new password, and the new server details.

Trade real or virtual money and gain experience

☐ Open a demo account to trade virtual money without risk

A demo account allows you to learn trading on stock exchanges and test your strategies. While doing that, you do not risk anything as you use pure virtual money.

☐ Open a real account for live trading

A real account requires additional proof of identity. You will need to provide copies of identification documents.
