What is the Maximum Overall Loss Limit?

Updated over 2 weeks ago

For Evaluation, Express, and Stellar 2-Step:

Traders are allowed a maximum overall loss of 10% of their initial balance.

For Stellar 1-Step:

Traders are allowed a maximum overall loss of 6% of their initial balance.

For Stellar Lite:

Traders are allowed a maximum overall loss of 8% of their initial balance.

To get more information regarding how the Overall Loss Limit is calculated, [click here](#).

Please refer to the image below for details about the Overall Loss Limit:

Challenge	Maximum Drawdown
Evaluation	10%
Express	10%
Stellar 2-Step	10%
Stellar 1-Step	6%
Stellar Lite	8%
