What is FundedNext Journal?

Updated over 2 weeks ago

FundedNext is excited to introduce the newest feature, Journaling in the FundedNext Dashboard. Inspired by the highly-regarded TraderSync platform, FundedNext's Journal has been designed to enhance traders' experience by providing robust tools for recording, analyzing, and refining their trading strategies.

With FundedNext Journal, traders can expect to receive the following benefits:

- Track every move with **26 unique widgets**
- **Capture key moments** with screenshots
- Analyze like a pro with **advanced charting**

- Add your **custom Target Price and Stop Loss Prices** to keep noted
- Fully **customizable journal**: filter trades, detailed notes
- Access **automated trade details**

Ready to take your trading to the next level? Start using FundedNext Journal today and see the difference it can make in your trading strategy!
