When and how can I register for each competition?

When and how can I register for each competition?

Updated over 2 weeks ago

Get ready for an exciting journey! Registration for each FundedNext Trading Competition opens before the competition month begins. For example, if you want to participate in July's competition, you need to register between June 1st and June 30th. So, mark your calendars and don't miss your chance to join in!

Here's how to register:

1. Visit the FundedNext website or access your FundedNext dashboard.
2. From the left sidebar, navigate to the [competitions section](#).
3. Click on the "Enroll" button.
4. Look out for an email from FundedNext, which will provide you with all the essential rules, guidelines, and login credentials.

Once registered, sit back, and wait for the competition to begin!

Remember, trading in the competition account is only permitted during the specified period. For example, traders participating in the competition for the month of June can only trade from June 1st to the 30th of June.
