What will be my Profit Share from the Stellar Lite Challenge?

Updated over 2 weeks ago

FundedNext doesn't offer any Profit Share from Challenge phase in the Stellar Lite Plan. It means traders won't get any 15% Profit Share from the Challenge phase of the Stellar Lite Plan.

However, upon reaching the FundedNext Account, traders will get an 80% Profit Share and can be eligible for a 90% Profit Share through [Scale-Up](#).

For example, if a trader has a \$100,000 Stellar Lite Account, the trader won't receive any Profit Share from the Challenge phase. However, the trader will receive a 80% Profit Share upon reaching the FundedNext Account.
