Updated over 2 weeks ago

FundedNext offers a 15% Profit Share from Challenge phase in the Evaluation Plan. It means traders will get a 15% Profit Share from the Challenge phase of the Evaluation Plan upon reaching a 5% growth in their FundedNext Account.

However, upon reaching the FundedNext Account, traders will get an 80% Profit Share and can be eligible for a 90% Profit Share through [Scale-Up](#).

For example, if a trader has a \$50,000 Evaluation Account, the trader will receive a 15% Profit Share from the Challenge phase. However, the trader will receive a 80% Profit Share upon reaching the FundedNext Account.
