What is the Trading Cycle count in my Stellar 1-Step FundedNext Account?

# What is the Trading Cycle count in my Stellar 1-Step FundedNext Account?

Updated over 2 weeks ago

The trader's **first Payout** occurs after 5 business days of trading on the FundedNext Account.

For instance, if the trader's cycle starts on August 1st, it ends on August 7th. It's crucial to understand that the trader's Trading Cycle span is 5 business days only. If they've made enough profit, a Withdrawal request can be submitted in that Trading Cycle.
