# Are there any Hidden Fees or Recurring Fees?

Updated over 2 weeks ago

Rest assured, at FundedNext, transparent and straightforward pricing is prioritized. Here's what you need to know:

**No Hidden Fees:** The fee structure is designed to be free from any additional or hidden charges.

**No Recurring Fees:** There are no recurring fees imposed. Once you join FundedNext, you can trade without worrying about ongoing charges that could impact your profits.

You will also be glad to know that as you progress and make a withdrawal on your FundedNext Account, FundedNext will reimburse the recent subscription fees you paid during your journey.

At FundedNext, the importance of financial transparency is recognized, and the commitment to a fee structure without hidden or recurring fees ensures that traders can trade confidently.
