Does FundedNext offer any Certificates?

Updated over 2 weeks ago

FundedNext values the skills of its traders and acknowledges their accomplishments by awarding certificates, which serve as tokens of appreciation for their achievements. There are five certificates that are awarded, which are Elite Trader, Crown Trader, Payout, Lifetime, and Max Allocation.

How do I obtain the certificates awarded by FundedNext?

FundedNext highly values traders' trading skills and accomplishments. To receive certificates, the process is fully automated for traders' convenience. Simply log in to the FundedNext Dashboard and navigate to the left side of the Dashboard, where the "**Certificates**" section will be found. By clicking on it, traders will have access to the certificates available based on their achievements. With just a single click, the certificate will be generated and delivered to the registered email address.

What are the eligibility criteria for Certificates?

At FundedNext, each certificate has its own specific requirements. Here's a breakdown:

Elite Trader Certificate:

- Earned by completing Challenge Phase 1 in Evaluation, Stellar Lite, and Stellar 2-Step accounts.
- Achieved upon completing the Stellar-1 Step Challenge.
- Awarded upon receiving the first payout from the Express Challenge.

Crown Trader Certificate:

- Earned by receiving the first payout from any FundedNext Account, including Express, Evaluation, Stellar Lite, Stellar 1-Step, and Stellar 2-Step FundedNext Accounts.

Payout Certificate:

- Obtained by receiving a payout from any FundedNext Account, including Express, Evaluation, Stellar Lite, Stellar 1-Step, and Stellar 2-Step FundedNext Accounts.

Lifetime Payout Certificate:

- Achieved by receiving three payouts from any FundedNext Account, including Express, Evaluation, Stellar Lite, Stellar 1-Step, and Stellar 2-Step FundedNext Accounts.

Max Allocation Certificate:

- Obtained by reaching a FundedNext Account size of \$300,000.00.
- In countries with maximum allocation limits, the established amount serves as the maximum allocation threshold. For instance, if a trader receives \$200,000.00 in the Express Non-Consistency FundedNext Account and \$100,000.00 in the Evaluation FundedNext Account, they become eligible for the Max Allocation Certificate.
