Can I Reset my account anytime?

Updated over 2 weeks ago

Yes, the option to reset is available for all challenges, including Evaluation (Phase 1 and 2), Express, Stellar (1-Step and 2-Step), and Stellar Lite. Please note that if you choose to reset your Evaluation Phase 1, Express, Stellar 2-Step Phase 1, Stellar 1-Step, or Stellar Lite Challenge account, the same account will be reset to its initial balance, and you will need to start from the beginning. However, if you wish to reset your Evaluation Phase 2 account, Stellar 2-Step Challenge Phase 2 account, or Stellar Lite Challenge Phase 2 account, a new account will be generated in your dashboard, and you will receive an email containing the account credentials. When you request a reset for Challenge Phase 2 Account, you will be provided with a new Challenge Phase 1 Account.

At FundedNext, periodic monitoring of your accounts and trading style is conducted. In the event of any violation of our established rules, your trading account will be deactivated, resulting in the prohibition of further trading activity. However, know that your journey doesn't end there. In such circumstances, FundedNext offers you the opportunity to begin with a new account, available at a discounted price.

Please refer to the images below for details of the reset price:
