If I'm already an affiliate, can I participate in the Refer & Earn program?

Updated over 2 weeks ago

No, if you are already an affiliate, you cannot participate in the **Refer & Earn** program. The two programs are designed to serve different purposes, and affiliates are exclusively part of the **FundedNext Affiliate Program**, where they can earn commissions through their unique referral links.

To maintain the integrity of both programs and ensure fair opportunities, affiliates are not eligible for the **Refer & Earn** program, which is meant for FundedNext traders who may not have a significant online presence. Additionally, affiliate accounts are automatically excluded from seeing or using the referral code option in the dashboard to prevent any overlap between the two earning methods.
