# What is the "Refer & Earn" feature?

Updated over 2 weeks ago

The **"Refer & Earn"** feature allows traders of FundedNext to earn commissions by referring new customers to the platform. After generating a unique referral code, traders can share it with others. When a new customer uses the code to make their first purchase, they will receive a 5% discount, and the trader who referred the code will earn a 7% commission on that purchase.
