# How do I claim the 15% Profit Share?

Updated over 2 weeks ago

FundedNext traders are eligible for a 15% Profit Share from the Challenge Phase with their payout, provided they meet specific growth targets by the end of the Trading Cycle in their FundedNext Account. This rule applies to all traders participating in the FundedNext Challenge, with the exception of the Stellar Lite Account model.

- **Stellar 1-Step FundedNext Account:** Traders must achieve a 10% growth to qualify for the 15% Profit Share from the Challenge Phase.
- **Stellar 2-Step FundedNext Account:** Traders must achieve a 5% growth to receive the 15% Profit Share from the Challenge Phase.
- **Evaluation FundedNext Account:** Traders must achieve a 5% growth to receive the 15% Profit Share from the Challenge Phase.
- **Express Challenge Account:** With the FundedNext Express Challenge, traders can start earning from the very first month. In the Challenge Phase, traders will earn 15% of the profit generated in each Trading Cycle.

It's important to note that eligibility for the 15% Profit Share is determined by the cumulative growth in the FundedNext Account. For example, if a trader achieves a 2% growth in one Trading Cycle, they would need to achieve an additional 3% growth in the following cycle to meet the 5% requirement for the 15% Profit Share from the Challenge Phase.

**15%** Profit Share  
From the  
Challenge Phase

(Except Stellar Lite Accounts)

Terms and Conditions Applied
