# Can I buy a New Account with my profit?

Updated over 2 weeks ago

Certainly! Traders at FundedNext have the opportunity to reinvest their profits into their trading journey. Instead of withdrawing their earnings as cash, they can use them to purchase a new challenge. It's essential to ensure that the amount of profit is sufficient to cover the registration fee for the new account. If traders are interested in using their profits to purchase an account, they can reach out to FundedNext Support for assistance.
