How many free retakes can I avail in the Evaluation Challenge?

Updated over 2 weeks ago

FundedNext offers traders the chance to retake the FundedNext Evaluation Challenge for free. To qualify for a free retake in the FundedNext Evaluation Challenge, traders must meet the criteria mentioned in the image below:

Free Retake Eligibility

To qualify for a free retake in the FundedNext Evaluation Challenge, traders must meet the following criteria:

The account must end in profit with all positions closed. Even a cent's profit will count.

Must trade for at least 5 minimum trading days.

Must follow all trading objectives without any violations.

There is no limit on free retakes in the Evaluation Challenge.

If traders meet the criteria, they will receive a free retake to restart their trading journey. Importantly, for traders' convenience, the free retake will be automatically applied on the last day of their Trading Cycle.

It's important to note that the free retake option is available exclusively for the Evaluation Challenge during Phase 1, allowing you to demonstrate your abilities and potentially secure a FundedNext account.
